There are two payment arrangements available for families to choose from:

1. Pay the yearly amount in full by Sept. 17 and receive the discount shown in the table.
2. Pay the monthly amount shown in the table. ***Please note that high school swimmers pay the monthly fees for the months that they are swimming with the club. For example, H.S. boys would pay for September through November and March through August and H.S. girls would pay for December through August.***

Billing policies:

1. For monthly billing, the initial monthly fees, the MSI Registration fees, and the Family Commitment deposit are due at registration. Subsequent monthly payments are due by the 5th of each month.
2. Monthly payments may be made or scheduled on our website at www.richfieldwimclub.org.
3. If your account is more than 30 days past due, your child(ren) will not be allowed to participate in practices or meets until your account is made current.
4. Alternate payment arrangements can be made in advance. Please contact the club treasurer at rsctreasurer@yahoo.com to make arrangements.
5. Swimming scholarships may be available based on financial need. All such arrangements are confidential and made according to club written policies. Please contact the club treasurer at rsctreasurer@yahoo.com for details.
6. If your swimmer moves up to a different level, your monthly fees will change as per the table above.
7. Meet fees are not included in the table above and are billed as incurred.
8. When you register for a meet you are committed to the fees for that meet even if you do not attend. The club pays all meet registration fees in advance and does not get reimbursed for no-shows.

Family commitment:

The family commitment is a deposit required (if not paid previously) of all families as their commitment to work at least four sessions at each of the meets the club hosts (one in March, one in July). Only one deposit is required per family. The deposit is forfeited if the requirement is not met for any meet and a new deposit is due for the family to continue swimming. Deposits will be returned upon request when the family is finished swimming with the club.
